

# SAFETY DATA SHEET

Issue Date 11-Jan-2016

Revision Date 11-Jan-2016

Version 1

# **1. IDENTIFICATION**

Product identifier Product Name

**Total Chlorine Accuracy Check SNIP** 

Other means of identification **Product Code** UN/ID no. **Synonyms** 

QCI-117 Final product is not regulated. None

Recommended use of the chemical and restrictions on use For Laboratory Use Only. **Recommended Use** Uses advised against No information available

#### Details of the supplier of the safety data sheet

Manufacturer Address NSI Lab Solutions, Inc. 7212 ACC Blvd. Raleigh, NC 27617

Emergency telephone number **Company Phone Number** 800-234-7837 FAX 919-789-3019 Website www.nsilabsolutions.com E-mail address nsi@nsilabsolutions.com **Emergency Telephone** 919-349-7322

# 2. HAZARDS IDENTIFICATION

#### Classification

#### **OSHA Regulatory Status**

This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)

#### Label elements

| Emergency Overview                  |   |                                    |
|-------------------------------------|---|------------------------------------|
| Not Hazardous                       |   |                                    |
| Hazard statements                   |   |                                    |
| None                                |   |                                    |
| None                                |   |                                    |
| The product contains no substances  | which at their given concentration, are con | sidered to be hazardous to health. |
| Appearance No information available | Physical state Liquid                       | Odor No information available      |
| Precautionary Statements - Storage  |   |                                    |
|                                     |   |                                    |

Store in accordance with local regulations

# Hazards not otherwise classified (HNOC)

Not applicable

# Other Information

Not applicable

Unknown acute toxicity

No information available

# **3. COMPOSITION/INFORMATION ON INGREDIENTS**

#### Substance

The product contains no substances which at their given concentration, are considered to be hazardous to health.

| Chemical Name       | CAS No.   | Weight-% |
|---------------------|-----------|----------|
| Water               | 7732-18-5 | 99.99    |
| Sodium hypochlorite | 7681-52-9 | <0.01    |

Refer to Certificate of Analysis for exact percentage concentration.

#### 4. FIRST AID MEASURES

#### **Description of first aid measures**

| Note to physicians   | Treat symptomatically.   |  |
|--|--|--|
| Indication of any immediate medical attention and special treatment needed |  |  |
| Symptoms   | No information available.  |  |
| Most important symptoms and effects, both acute and delayed                |  |  |
| Ingestion  | Clean mouth with water and drink afterwards plenty of water.   |  |
| Inhalation   | Remove to fresh air.   |  |
| Skin contact   | Wash skin with soap and water.   |  |
| Eye contact  | Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids. Consult a physician. |  |
|  |  |  |

#### 5. FIRE-FIGHTING MEASURES

#### Suitable extinguishing media

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

Unsuitable extinguishing media CAUTION: Use of water spray when fighting fire may be inefficient.

#### Specific hazards arising from the chemical

No information available.

Explosion data Sensitivity to Mechanical Impact None. Sensitivity to Static Discharge None.

#### Protective equipment and precautions for firefighters

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

# 6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protective equipment and emergency procedures

| Personal precautions                                  | Ensure adequate ventilation, especially in confined areas.  |
|---|---|
| Environmental precautions                             |   |
| Environmental precautions                             | See Section 12 for additional Ecological Information.   |
| Methods and material for containm                     | ent and cleaning up   |
| Methods for containment                               | Prevent further leakage or spillage if safe to do so.   |
| Methods for cleaning up                               | Pick up and transfer to properly labeled containers.  |
| • •   |   |
|   | 7. HANDLING AND STORAGE   |
| Precautions for safe handling                         | 7. HANDLING AND STORAGE   |
| Precautions for safe handling Advice on safe handling | 7. HANDLING AND STORAGE<br>Handle in accordance with good industrial hygiene and safety practice. |
| -   | Handle in accordance with good industrial hygiene and safety practice.                            |
| Advice on safe handling                               | Handle in accordance with good industrial hygiene and safety practice.                            |

# 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

#### Control parameters

Exposure Guidelines

**Engineering Controls** 

This product, as supplied, does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies.

| Chemical Name                    | ACGIH TLV | OSHA PEL | NIOSH IDLH |
|----------------------------------|-----------|----------|------------|
| Water                            | -         | -        | -          |
| 7732-18-5                        |           |          |            |
| Sodium hypochlorite<br>7681-52-9 | -         | -        | _          |

#### Appropriate engineering controls

Showers Eyewash stations Ventilation systems.

#### Individual protection measures, such as personal protective equipment

| Eye/face protection            | No special technical protective measures are necessary.   |
|--------------------------------|---|
| Skin and body protection       | No special technical protective measures are necessary.   |
| Respiratory protection         | If exposure limits are exceeded or irritation is experienced, NIOSH/MSHA approved respiratory protection should be worn. Positive-pressure supplied air respirators may be required for high airborne contaminant concentrations. Respiratory protection must be provided in accordance with current local regulations. |
| General Hygiene Considerations | Handle in accordance with good industrial hygiene and safety practice.  |

# 9. PHYSICAL AND CHEMICAL PROPERTIES

Information on basic physical and chemical properties

| Physical state | Liquid                   |                |                          |
|----------------|--------------------------|----------------|--------------------------|
| Appearance     | No information available | Odor           | No information available |
| Color          | No information available | Odor threshold | No information available |

| Property_                      | Values                   | Remarks • Method      |
|--------------------------------|--------------------------|-----------------------|
| pH                             | No information available | <u>Remarks</u> method |
| Melting point / freezing point | No information available |                       |
| Boiling point / boiling range  | No information available |                       |
| Flash point                    | No information available |                       |
| Evaporation rate               | No information available |                       |
| Flammability (solid, gas)      | No information available |                       |
| Flammability Limit in Air      |                          |                       |
| Upper flammability limit:      | No information available |                       |
| Lower flammability limit:      | No information available |                       |
| Vapor pressure                 | No information available |                       |
| Vapor density                  | No information available |                       |
| Relative density               | No information available |                       |
| Water solubility               | No information available |                       |
| Solubility in other solvents   | No information available |                       |
| Partition coefficient          | No information available |                       |
| Autoignition temperature       | No information available |                       |
| Decomposition temperature      | No information available |                       |
| Kinematic viscosity            | No information available |                       |
| Dynamic viscosity              | No information available |                       |
| Explosive properties           | No information available |                       |
| Oxidizing properties           | No information available |                       |
| Other Information              |                          |                       |
| Softening point                | No information available |                       |
| Molecular weight               | No information available |                       |
| VOC Content (%)                | No information available |                       |

No information available

#### **US Federal Regulations**

#### SARA 313

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372

NIa

| SARA 311/312 Hazard Categories |  |  |  |
|--------------------------------|--|--|--|
| Acute health hazard            |  |  |  |

| Acute nealth hazard               | INO |
|-----------------------------------|-----|
| Chronic Health Hazard             | No  |
| Fire hazard                       | No  |
| Sudden release of pressure hazard | No  |
| Reactive Hazard                   | No  |
|                                   |     |

#### CWA (Clean Water Act)

This product, as supplied, does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42).

#### **CERCLA**

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material.

#### US State Regulations

#### California Proposition 65

This product does not contain any Proposition 65 chemicals

#### U.S. State Right-to-Know Regulations

#### U.S. EPA Label Information

EPA Pesticide Registration Number Not applicable
