

## 1. IDENTIFICATION

**Product identifier** **Product Name** Hexavalent Chromium in Soil

**Other means of identification**

**Product Code** SPEI-003, SQCI-003  
**UN/ID no.** Final product is not regulated.  
**Synonyms** None

**Recommended use of the chemical and restrictions on use**

**Recommended Use** For Laboratory Use Only.  
**Uses advised against** No information available

**Details of the supplier of the safety data sheet**

**Manufacturer Address**

NSI Lab Solutions, Inc.  
7212 ACC Blvd.  
Raleigh, NC 27617

**Emergency telephone number**

**Company Phone Number** 800-234-7837  
**FAX** 919-789-3019  
**Website** www.nsilabsolutions.com  
**E-mail address** nsi@nsilabsolutions.com  
**Emergency Telephone** 919-349-7322

## 2. HAZARDS IDENTIFICATION

**Classification**

**OSHA Regulatory Status**

This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)

**Label elements**

**Emergency Overview**

The product contains no substances which at their given concentration, are considered to be hazardous to health.

**Appearance** No information available

**Physical state** Solid

**Odor** No information available

**Hazards not otherwise classified (HNOC)** Not applicable

**Other Information**

May be harmful if swallowed.

Unknown acute toxicity

94 % of the mixture consists of ingredient(s) of unknown toxicity

**3. COMPOSITION/INFORMATION ON INGREDIENTS****Substance**

The product contains no substances which at their given concentration, are considered to be hazardous to health.

| Chemical Name                                                 | CAS No.    | Weight-% |
|---------------------------------------------------------------|------------|----------|
| Potassium dichromate                                          | 7778-50-9  | <0.1     |
| Soil = 10% Hawthorn Bond Fireclay 40 mesh and 90% Quartz Sand | 14808-60-7 | 98-99.9  |

Refer to Certificate of Analysis for exact percentage concentration.

**4. FIRST AID MEASURES****Description of first aid measures**

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| <b>Eye contact</b>  | Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids. Consult a physician. |
| <b>Skin contact</b> | Wash skin with soap and water.                                                                                       |
| <b>Inhalation</b>   | Remove to fresh air.                                                                                                 |
| <b>Ingestion</b>    | Clean mouth with water and drink afterwards plenty of water.                                                         |

**Most important symptoms and effects, both acute and delayed**

|                 |                           |
|-----------------|---------------------------|
| <b>Symptoms</b> | No information available. |
|-----------------|---------------------------|

**Indication of any immediate medical attention and special treatment needed**

|                           |                        |
|---------------------------|------------------------|
| <b>Note to physicians</b> | Treat symptomatically. |
|---------------------------|------------------------|

**5. FIRE-FIGHTING MEASURES****Suitable extinguishing media**

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

**Unsuitable extinguishing media** CAUTION: Use of water spray when fighting fire may be inefficient.

**Specific hazards arising from the chemical**

No information available.

**Explosion data**

**Sensitivity to Mechanical Impact** None.

**Sensitivity to Static Discharge** None.

**Protective equipment and precautions for firefighters**

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

**6. ACCIDENTAL RELEASE MEASURES****Personal precautions, protective equipment and emergency procedures**

|                             |                                                            |
|-----------------------------|------------------------------------------------------------|
| <b>Personal precautions</b> | Ensure adequate ventilation, especially in confined areas. |
|-----------------------------|------------------------------------------------------------|

**Environmental precautions**

|                                  |                                                       |
|----------------------------------|-------------------------------------------------------|
| <b>Environmental precautions</b> | See Section 12 for additional Ecological Information. |
|----------------------------------|-------------------------------------------------------|

**Methods and material for containment and cleaning up**

**Methods for containment** Prevent further leakage or spillage if safe to do so.

**Methods for cleaning up** Pick up and transfer to properly labeled containers.

**7. HANDLING AND STORAGE****Precautions for safe handling**

**Advice on safe handling** Handle in accordance with good industrial hygiene and safety practice.

**Conditions for safe storage, including any incompatibilities**

**Storage Conditions** Keep containers tightly closed in a dry, cool and well-ventilated place.

**Incompatible materials** None known based on information supplied.

**8. EXPOSURE CONTROLS/PERSONAL PROTECTION****Control parameters**

**Exposure Guidelines** This product, as supplied, does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies.

| Chemical Name                     | ACGIH TLV | OSHA PEL | NIOSH IDLH |
|-----------------------------------|-----------|----------|------------|
| Potassium dichromate<br>7778-50-9 | -         | -        | -          |
| Soil<br>14808-60-7                | -         | -        | -          |

**Appropriate engineering controls**

**Engineering Controls** Showers  
Eyewash stations  
Ventilation systems.

**Individual protection measures, such as personal protective equipment**

**Eyel/face protection** No special technical protective measures are necessary.

**Skin and body protection** No special technical protective measures are necessary.

**Respiratory protection** If exposure limits are exceeded or irritation is experienced, NIOSH/MSHA approved respiratory protection should be worn. Positive-pressure supplied air respirators may be required for high airborne contaminant concentrations. Respiratory protection must be provided in accordance with current local regulations.

**General Hygiene Considerations** Handle in accordance with good industrial hygiene and safety practice.

**9. PHYSICAL AND CHEMICAL PROPERTIES****Information on basic physical and chemical properties**

|                                       |                          |                         |                          |
|---------------------------------------|--------------------------|-------------------------|--------------------------|
| <b>Physical state</b>                 | Solid                    | <b>Odor</b>             | No information available |
| <b>Appearance</b>                     | No information available | <b>Odor threshold</b>   | No information available |
| <b>Color</b>                          | No information available |                         |                          |
| <b>Property</b>                       | <b>Values</b>            | <b>Remarks • Method</b> |                          |
| <b>pH</b>                             | No information available |                         |                          |
| <b>Melting point / freezing point</b> | No information available |                         |                          |

|                               |                          |
|-------------------------------|--------------------------|
| Boiling point / boiling range | No information available |
| Flash point                   | No information available |
| Evaporation rate              | No information available |
| Flammability (solid, gas)     | No information available |
| Flammability Limit in Air     |                          |
| Upper flammability limit:     | No information available |
| Lower flammability limit:     | No information available |
| Vapor pressure                | No information available |
| Vapor density                 | No information available |
| Relative density              | No information available |
| Water solubility              | No information available |
| Solubility in other solvents  | No information available |
| Partition coefficient         | No information available |
| Autoignition temperature      | No information available |
| Decomposition temperature     | No information available |
| Kinematic viscosity           | No information available |
| Dynamic viscosity             | No information available |
| Explosive properties          | No information available |
| Oxidizing properties          | No information available |

**Other Information**

|                  |                          |
|------------------|--------------------------|
| Softening point  | No information available |
| Molecular weight | No information available |
| VOC Content (%)  | No information available |
| Density          | No information available |
| Bulk density     | No information available |

**10. STABILITY AND REACTIVITY****Reactivity**

No data available

**Chemical stability**

Stable under recommended storage conditions.

**Possibility of Hazardous Reactions** None under normal processing.**Conditions to avoid**

Extremes of temperature and direct sunlight.

**Incompatible materials**

None known based on information supplied.

**Hazardous Decomposition Products**

None known based on information supplied.

**11. TOXICOLOGICAL INFORMATION****Information on likely routes of exposure**

| Product Information               | No data available  |             |                 |
|-----------------------------------|--------------------|-------------|-----------------|
| Inhalation                        | No data available. |             |                 |
| Eye contact                       | No data available. |             |                 |

**Information on toxicological effects**

**Symptoms** No information available.

**Delayed and immediate effects as well as chronic effects from short and long-term exposure**

**Sensitization** No information available.

**Germ cell mutagenicity** No information available.

**Carcinogenicity** This product does not contain any carcinogens or potential carcinogens as listed by OSHA, IARC or NTP.

**Reproductive toxicity** No information available.

**STOT - single exposure** No information available.

**STOT - repeated exposure** No information available.

**Aspiration hazard** No information available.

**Numerical measures of toxicity - Product Information**

The following values are calculated based on chapter 3.1 of the GHS document .

ATEmix (oral) 3,495.00

## 12. ECOLOGICAL INFORMATION

**Ecotoxicity**

98 % of the mixture consists of component(s) of unknown hazards to the aquatic environment

| Chemical Name                     | Algae/aquatic plants | Fish | Crustacea |
|-----------------------------------|----------------------|------|-----------|
| Potassium dichromate<br>7778-50-9 | -                    | -    | -         |
| Soil<br>14808-60-7                | -                    | -    | -         |

**Persistence and degradability**

No information available.

**Bioaccumulation**

No information available.

**Other adverse effects**

No information available

## 13. DISPOSAL CONSIDERATIONS

**Waste treatment methods****Disposal of wastes**

Disposal should be in accordance with applicable regional, national and local laws and regulations.

**Contaminated packaging**

Do not reuse container.

## 14. TRANSPORT INFORMATION

**DOT**

UN/ID no.

Not regulated

Final product is not regulated.

**IATA****IMDG**

Not regulated

Not regulated

## 15. REGULATORY INFORMATION

### US Federal Regulations

#### SARA 313

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372

#### SARA 311/312 Hazard Categories

|                                   |    |
|-----------------------------------|----|
| Acute health hazard               | No |
| Chronic Health Hazard             | No |
| Fire hazard                       | No |
| Sudden release of pressure hazard | No |
| Reactive Hazard                   | No |

#### CWA (Clean Water Act)

This product, as supplied, does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42).

#### CERCLA

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material.

### US State Regulations

#### California Proposition 65

This product does not contain any Proposition 65 chemicals

### U.S. State Right-to-Know Regulations

#### U.S. EPA Label Information

EPA Pesticide Registration Number Not applicable
